Minnesota**Corn**
GROWERS ASSOCIATION

Proudly supporting the future of agriculture.

The Nicollet/Sibley Corn and Soybean Growers are proud to support 4-H, FFA and future agriculturalists. With nearly all Minnesota farms family-owned and a part of those families for generations, farmers are committed to protecting our soil and water resources while producing a healthy, safe product for today and generations to come.

Brought to you by the Nicollet/Sibley Corn and Soybean Growers and their checkoffs.

Welcome to the Sibley County Fair

By Dennis Van Moorlehem
Sibley County Fair Board Member

Well another fair year is here and the Sibley County Fair Board has met it head on. Starting last August, we started planning. We started by evaluating our buildings for needed maintenance. The sheep barn (the old Commercial building) was tapped for a new roof after fighting leaks for years. We received a grant to defray the cost. The work should be done by fair time.

The Octagon refreshment stand was moved up for a new roof also to finish the rebuild started a few years ago. It is the oldest building on the fair having moved from the hospital park many years ago.

Porkies will also have a new look with all new windows. The lift up side panels and old windows that leaked as well as blocked off openings are all gone. This is a multi-year upgrade of the food stand that will include roof and side replacement in the future as well as possible air movement upgrades. The labor for this long-term project is being done by the St Paul's church group in trade for food stand rent each year that work is completed.

Earlier this year we received a grant from Minnesota Valley Electric Coop thru their Operation Round Up program where customers round up their bills to the next whole dollar. These proceeds are passed on to grantees showing need after a competitive grant review. Our grant will fund new lighting in the chicken barn, rabbit barn, and new horse barn. These poor barns struggled with 1950's lighting ever since I have been on the board. Trivia Question for the older group, What was the chicken barn before its chicken days?

Another project that may not be finished before the fair but is in the works, is the tear down of the old tool shed between the horticulture building and the 4-H non-animal building. The roof is no longer structurally safe so away it will go. The new tool shed #3 in succession will be a huge metal container located north of the draft horse building. Hopefully the tool shed building will also be a trivia question some day.

Electrical updates in the large cattle barn bus barn will allow for more fans and even-out the draw

on the system. More vents in the milk house/cattle barn should keep it cooler. Horse arena upgrade and corral maintenance machine are new this year with hopes the additions will make the arena one of the best facilities in the state.

The last major upgrade to our grounds is the addition of five new light poles in the horse arena area. These lights will serve as a day/night facility as needed in the future. Another light pole will light the north side of the parking lot. With the lighting upgrade, the parking area both on the main grounds and horse area parking will be more user friendly.

With these 2017 upgrades our board is very proud of the thousands of hours we have spent so far, this year. I would like to ask our visitors to acknowledge your thoughts on these projects to the board. They are here working to make the best little fair in Minnesota better. Do you have suggestions? If so, jot them down and hand them into the office as you attend with us August 2 thru 6 the SIBLEY COUNTY FAIR.

Ride tickets available at the fair:

\$3 each, 10 for \$27 or 20 for \$50

(each ride requires 1 ride ticket)

Sibley County Fair's grandstand fun

By
Dennis Van Moorlehem
Sibley County Fair Board
Member

It's 90 degrees outside so I am sitting in my basement out of the weather writing my yearly article. 2017, the 148th annual Sibley County Fair in Arlington, has taken from the past and present grandstand shows each day. Starting Wednesday, August 2nd, we present the Stock Car Shoot Out. This popular program continues its run from last year. Thursday evening's presentation; the Night of Destruction, also returns with new exciting ways to wreck vehicles. This has been great family entertainment for the last few years. Friday night the UTS Mud Drags take place. I could say this is clean fun, it isn't. Come and pick the winning vehicles that handle the best in the deep mud. Saturday night Arlington Raceway Car Races return with a great variety of classes from 4 cylinders to V8's. Now for the big change this year DEMOs are back. Yes demo derbies return on Sunday just like the good old days. We expect a large turn out and a larger audience so come early.

The Heritage stage has a great line up again this year with family pro-

grams from Thursday, August 3 till Sunday. The Carlson's, Carver Creek blue grass Floeming Fold, and Wendinger Band all return with a mix of Blue Grass, Country and Polka. Stage shows with Bake and Taste, 4-H demonstrations, Noel La Bine a comical reminiscence of the good old days up north, and Raptor Center presentations. Kids day will bring back favorites like Kidde tractor pull, Hoopsters, as well as Homeward Bound returning after a few years absence. A Cartoon Caricatures artist will be on sight for the kids during the day also.

This year J&K Amusements (our carnival) has special prices on Wednesday. All Rides Only \$1.00 From 6PM till 10 PM. Wrist bands will be available during the fair at the carnival ticket stand. They have been working on their rides to have them in tip top shape for our fair.

The Entertainment building not only has refreshments but great bands and the one and only FREE sweet corn feed on Friday starting at 3PM till corn is gone. During the feed Ron E Cash will entertain the corn eaters. On the other nights starting Wednesday at 8PM is Chopper, a family friendly DJ with his antics that all will enjoy. Thursday at 8:30 PM

Shaw Brothers are carrying out the family's tradition of great music. Friday after the corn feed IV Play are entertaining the crowd. Saturday morning at 8 AM Our annual BBQ Cook off starts with great cooks, great meat, great times awaiting your attendance. At 3PM the Rhythm Kings will start up the musical entertainment for the day followed by Rhino at 9:30 PM to finish out a great Saturday. Sunday from 11 AM till 1PM the annual Painting Class will take place. Bring the significant other and see who does the best. For us amateurs there will be help and advice from ones who know what to do. At 4PM Radio Active Band will take us home for 2017.

In the magazine, a complete list of events can be clipped out and taken with you. Posters are up around the area and radio and newspapers will also cover events. During the fair, radio stations will interview visitors and officials about their activities. We hope you can find time to take part in our fair in some way. We will not be on television but we should be. It's their loss. Have fun and I hope to see your smiling face at the Sibley County Fair in Arlington.

APPEARING at the Sibley County Fair

Thurs., Aug. 3 • 8:30 p.m.–12:30 p.m.

Fri., Aug. 4 • 9:00 p.m.–1:00 a.m.

Sat., Aug. 5 • 9:00 p.m.–1:00 a.m.

Sun., Aug. 6 • 4:00 p.m.–8:00 a.m.

Making a little fair a big thing

By **Dennis Van Moorlehem**
Sibley County Fair Board Member

It's July 2017 and that means last month before the fair. How can I tell? It's 95 degrees, sunny, and it is work night at the fair. What is work night? Each Thursday night each, Summer the board meets at the fair to get it ready. Tonight, we have a list with 29 items to work on. Will we get them all done tonight? In OUR dreams, BUT there will be many of them done tomorrow. We are always in a panic around this time of year but as the old saying goes, don't sweat the small stuff, we'll have them all done by a week after the fair. A couple of months ago I went out to the fair one morning and took a minute to just look at the grounds. We, the fair board and all of you, should be proud of our grounds. As one of the smallest counties in the state, we have one of the finest set of buildings around.

As I travel to other fairs and hear their trials and tribulations, I am SO proud of our best little fair in the state. When you come out to visit us this year stop and look, REALLY look at the grounds and imagine the work, but TRULY look at the pride the fair board must have to accomplish it each year. We get our share of derogatory input

also. When this happens, we try to sit down and work with the parties to solve their concerns. We usually have a good result, but not always. This year we worked on problems with the horse ring. Honestly, both sides had an outcome at odds with the reality of our ability to provide a world class venue. The board, as always, worked with financial restraints, the horse representatives with a variety of recommendations. THE ANSWER!! Well you will have to come out to the Sibley County Fair in Arlington August 2 thru 6, 2017. Go out to the horse events and judge for yourself.

Before and after your visit our fair, please go to our fair website sibleycountyfair.com or Facebook. Tell us what you expect and what you found out as you visit us. Without YOUR input, we will still try to provide the best we can but, without your input we may likely miss your important ideas. Let's work together to make our fair better yet and I can come up with a saying even better than BEST LITTLE FAIR IN MINNESOTA.

Now as we prepare to go out to work night, in the sweltering heat, we hope you are planning to come to the fair to see if all the stuff I write about is true.

See you at the Sibley County Fair, August 2 thru 6, 2017.

Safe personal caring winter storage

By
Dennis Van Moorlehem
Sibley County Fair Board
Member

Our fair board has a side line project to raise funds for building maintenance. We store most any kind of vehicle, boat, recreational vehicles, or equipment from October or November till the following mid-April for \$1.25 per square foot for the whole five or six-month period. No wor-

ries, securely stored in our buildings making room in your garage or driveway.

The money raised has helped to make the payments on our Heritage building and new roofs and ventilation on other buildings.

We have equipment to park the items for you and proudly tell customers park, unhitch, stop in to pay and head home with no worries and no embarrassing

public backing up failures. Next spring, we move the units out for you. Just hook on, go home and enjoy summer. We have special buildings for cars and small recreational items. Our rodent lady treats all buildings before winter and has been 100 percent effective.

If Interested call 507-964-5733 or email dvan1@frontier-net.net

Fair History

Brought to you by
sibleycountyfair.com

In July of 1885 the Sibley County Fair directors met to select a location to hold the fair for the next 5 years. The village of Arlington was selected and the fair was held there September 24-26. Prior to that it was in Henderson.

The City of Arlington donated \$1,700 and grounds to keep the fair for the next 5 years. On the grounds, west of the Catholic Church, a half-mile track was built and buildings were constructed for house exhibits. The grounds were to be used for both the fair and also as a park.

SMARTER INSURANCE FOR AGRICULTURE.

No one knows farming and ranching like the Farm Bureau. For more than 75 years, we've been a trusted insurance leader providing comprehensive coverage for your farm/ranch, your machinery, your livestock - and so much more. We're proud of our agricultural roots and that we're the No. 1 farm insurer in our territory.

WHO CAN PARTICIPATE IN 4-H?

4-H serves youth in grades kindergarten through one year past high school from all backgrounds and interests. 4-H offers membership without regard to race, color, national origin, religion, gender, disability, or handicap. Those who are in kindergarten through grade 3 may participate through Cloverbuds.

HOW CAN I PARTICIPATE IN 4-H?

Join a local 4-H club — 4-H clubs are groups of youth who meet regularly to work on 4-H projects, perform community service, develop leadership skills and learn to work together. Guided by one or more adult volunteers, a club can be any size, from a small group of neighborhood kids to a large group from a school or county.

Keep your vehicles in top running condition

If a bargain auto part leaves you stranded, it's no bargain!

Keep your vehicle in top condition and ask for NAPA auto parts. NAPA brand parts are made to exact standards of quality. So, you can be sure that NAPA parts will keep you going safely, mile after mile!

Watch for NAPA sponsored race cars at the Sibley County Fair Races!

See these Sibley County area NAPA Stores!
